BUSINESS OF DESIGN WEEK

Asia's premier annual event on design, innovation and brands since 2002, Business of Design Week (BODW) organised by Hong Kong Design Centre brings some of the world's most outstanding design masters and influential business figures to Hong Kong. It provides a valuable platform for business and creative leaders to exchange ideas, network, and explore new business opportunities.

ooo Asia's premier annual event on **DESIGN**,
INNOVATION & BRANDS

BRIDGE

the gap between the worlds of design, business and public sector. Bring in successful cases worldwide and potential business in Hong Kong

SPARK

positive changes to social well-being

IGNITE

a worldwide community of design and maintain Hong Kong as a world map of design city

ENHANCE

the synergy and collaboration between partner countries/ cities and Hong Kong

PARTNER COUNTRIES/ CITIES

Each year a partner city or country is showcased at BODW through speakers and a design pavilion. The partnership developed from the making of BODW does not end with the closing of the event. It signifies the beginning of a long term collaboration and mutual learning between the two communities through continuous engagement in forthcoming BODWs and other forms of professional/ student exchange initiatives.

Design the Future, Create Tomorrow!

The **United Kingdom (UK)** is one of the world's greatest cultural nations. The UK is not just famous for its museums, galleries, heritage and monuments, but also for the dynamism and diversity of its commercial creative industries. Over the last two decades, the UK's creative sector has contributed over £100 billion a year to the economy, providing 3 million jobs and growing at twice the rate of the rest of the economy. From fashion to film, architecture to advertising, UK creatives have a well-earned reputation for challenging conventions and embracing the new with professionalism and flair.
